SUBCONTRACTORS LIST

Working Under (General Contractor)		
Address of Job		
State License No.	Building Permit No.	
Cost of Job \$		

Please indicate below in the appropriate spaces the names of subcontractors employed on the job that the building permit is issued for, and the amount charged by each subcontractor. Each subcontractor is required to obtain a business license from the City of Sumter unless employed by the general contractor on a permanent bases. The temporary employment of a subcontractor by a general contractor on an hourly or temporary basis does not exempt the subcontractor from any of the above provisions.
